

AN OVERVIEW OF THE TRAINING ACTIVITIES OF RONALD G. QUINTERO, CPA, CFA

General. Ron Quintero is a consultant and financial advisor who has been actively involved in conducting and overseeing public and in-house seminars at locations around the world for more than thirty years. Since the early 1990s he has been a leading provider of CFA training programs. He has delivered more than 1,000 lectures, seminars, and courses around the world. He is the author of more than 10,000 pages of proprietary training content.

Professional Background. Prior to founding Chartered Capital Advisers (www.charteredcapital.com) and R. G. Quintero & Co. (www.rgquintero.com), Ron was a member of the Investment Banking Department of Bear, Stearns & Co. Inc. Previously, he was a turnaround consultant at Zolfo, Cooper & Co. and a Senior Manager responsible for the corporate finance consulting practice of the New York office of KPMG. For more than 25 years he has been profiled in *Who's Who in America*, *Who's Who in Finance and Industry*, and similar publications. He has served more than 1,000 domestic and overseas clients of all sizes in a variety of industries, and has been a member or advisor to the boards of directors of public and private companies.

Education. Ron has an A.B. in Economics and Spanish from Lafayette College, an M.S. in Accountancy and an A.P.C. in Investment Management from the New York University Stern School of Business. He is a Certified Public Accountant, Certified Management Accountant, Certified Fraud Examiner, Chartered Financial Analyst, Certified Financial Planner, Certified Insolvency and Restructuring Advisor, Certified Turnaround Professional, and he has an Accreditation in Business Valuation, a Certification in Distressed Business Valuation, and is Certified in Financial Forensics. Ron is an award-winning scholar, writer, and lecturer. He has published numerous articles, books, and professional manuals, and has appeared on national television. Many of his lectures and seminars have been broadcast live and archived on the Internet, and made available for sale in video and audio format by professional and training organizations.
